

# JOSH AND CARMEN LOVELACE

## MISSIONARIES TO CAMBODIA

## Adventures in Lovelaceville...

This quaint little town was one of our many short excursions during the Light-For-The-Lost tour in March. As you can see, Emma really enjoyed exploring the place with the cool name! And we all enjoyed meeting missions-minded people... not to mention eating all that yummy food... at each LFTL Banquet. A few dear saints even blessed us with offerings! Their generosity & sacrificial giving really touched our hearts.

Itineration is going great so far! Our calendar is filling up and commitments are starting to roll in. We are SO grateful and know every dollar given is a miracle from God in this not-so-pleasant economy. Thank God HE is bigger than the stock market! It's good to know that *where God guides, He provides*. We are also praying for YOU. May God richly bless you & provide for every one of your needs according to His riches in glory!

Consumed By His Call,

*Josh, Carmen & Emma Lovelace*
