Cambodia or BUST!

"A journey of a thousand miles begins with a single step." ~ Asian Proverb
Our 9,420 mile journey to Cambodia began with a single step of faith. Just like when Emma was learning to walk, we had to take some 'baby steps' to learn to walk in faith. Now it amazes us to think that this may be the last newsletter we mail out before moving to Phnom Penh!

We are thrilled to report that God has provided about **90%** of our monthly budget. At this point, it really is CAMBODIA OR BUST! We are hoping to complete itineration by **August** so we can buy our airline tickets and take that next step... onto a plane at the Springfield-Branson National Airport!

We want to say a big *"Thank you"* to all the pastors, churches, families, and friends who have helped us from that very first step to where we are now... getting ready for the big move. If you haven't already made a monthly commitment or one-time offering, please pray about making one to push us over the top!
