

JOSH AND CARMEN LOVELACE

MISSIONARIES TO CAMBODIA

Winter 2009

Love came down...

Remember the absolute joy you felt as a child on Christmas morning, running to see what Santa had left under the tree? That's exactly how I think we should feel every time we remember the gift God sent to earth that first Christmas morning... JESUS! Now imagine not knowing that your best present was still hidden way back under the tree just waiting for you to discover it. Sadly, there are so many who have yet to hear the good news that *'God so loved the world that he gave His one and only Son'*. We can hardly wait to help share that gift with the people of Cambodia!

After conducting 115 missions services and driving 19,216 miles this year we've reached about 45% of our budget! We are looking forward to celebrating our last Christmas in the U.S. for 3 years with friends and family. But we're even more excited about spending Christmas 2010 in Phnom Penh (Lord willing & our budget is raised)! It may look and feel a little different... however we hope a few more Cambodians will be able to celebrate God's gift with us as a result!

Merry Christmas & Happy New Year!!!
